Crop Groups and Total in 2011-2012

Crops groups

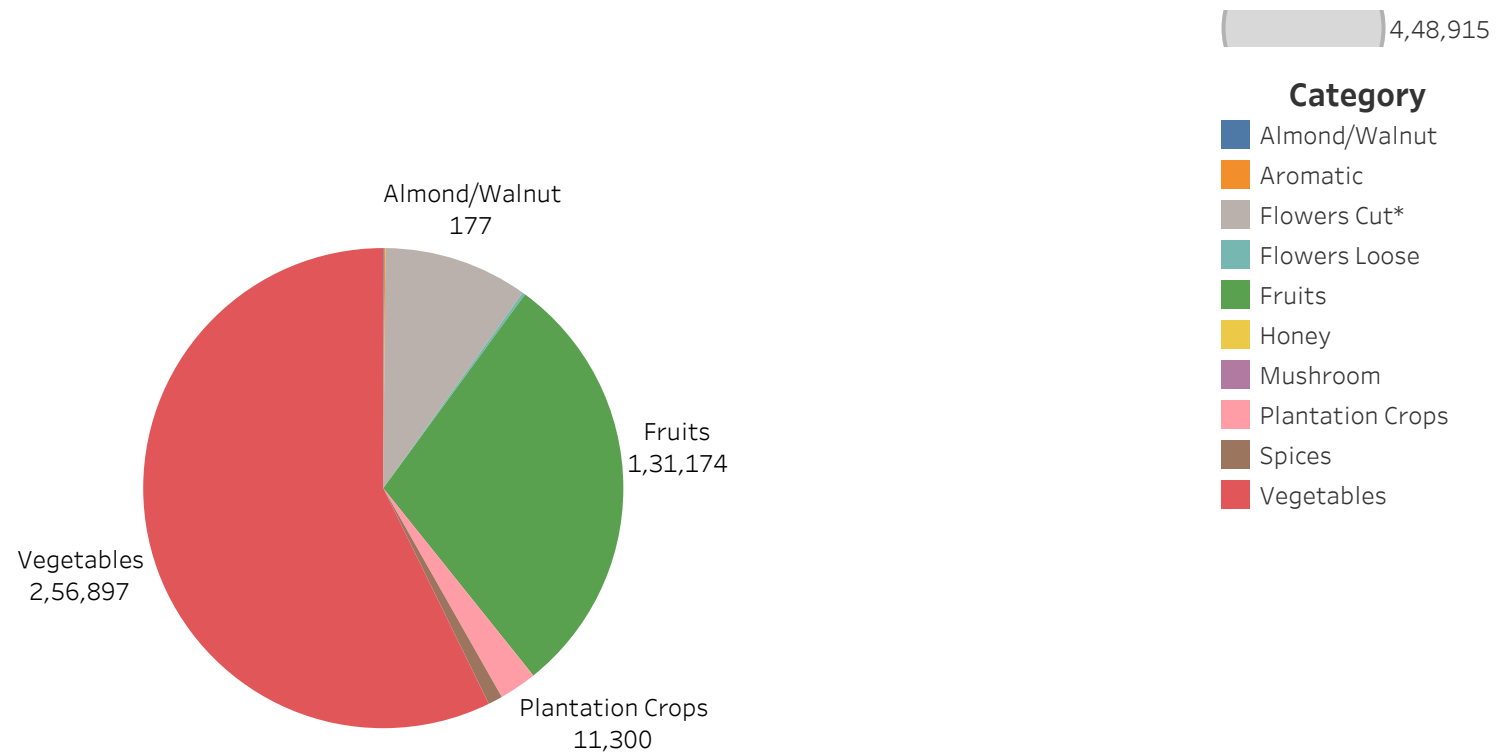

Sum of Total for each Crops groups. The data is filtered on Horticulture crops, which excludes Total. The view is filtered on Crops groups and sum of Total. The Crops groups filter excludes Null. The sum of Total filter keeps non-Null values only.

Crops and its Varieties

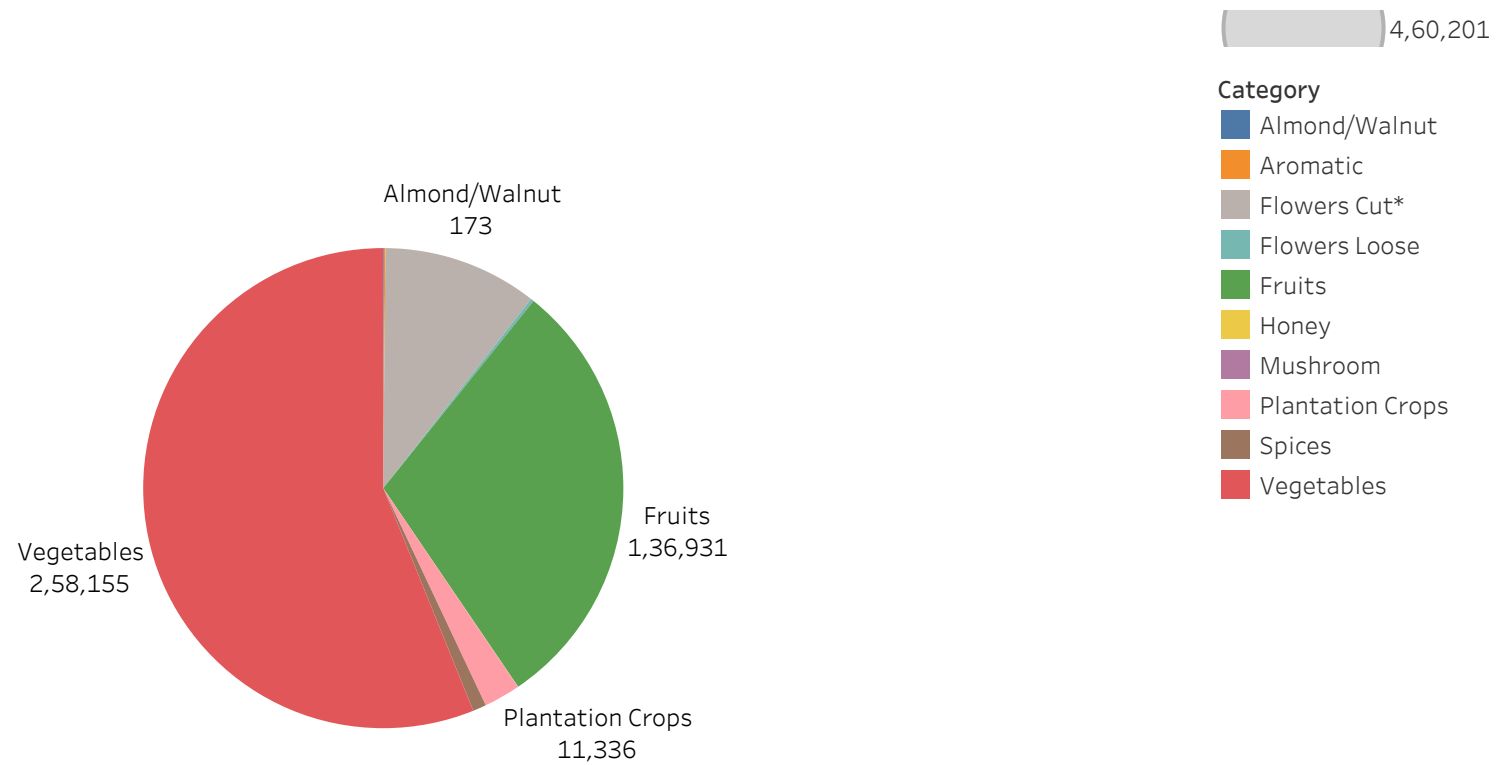

Sum of Total and sum of Total for each Crops broken down by Crop groups. For pane Sum of Total: Color shows sum of Total. For pane Sum of Total (2): Color shows sum of Total (Table 2.4 (b) Number of horticultural crops varieties released during 2011-2012.csv). The view is filtered on Crops, Exclusions (Crop groups,Crops) and sum of Total (Table 2.4 (b) Number of horticultural crops varieties released during 2011-2012.csv). The Crops filter excludes Grand Total and Sub-Total. The Exclusions (Crop groups,Crops) filter keeps 128 members. The sum of Total (Table 2.4 (b) Number of horticultural crops varieties released during 2011-2012.csv) filter keeps non-Null values only.

Production of Crops in 2007-2008

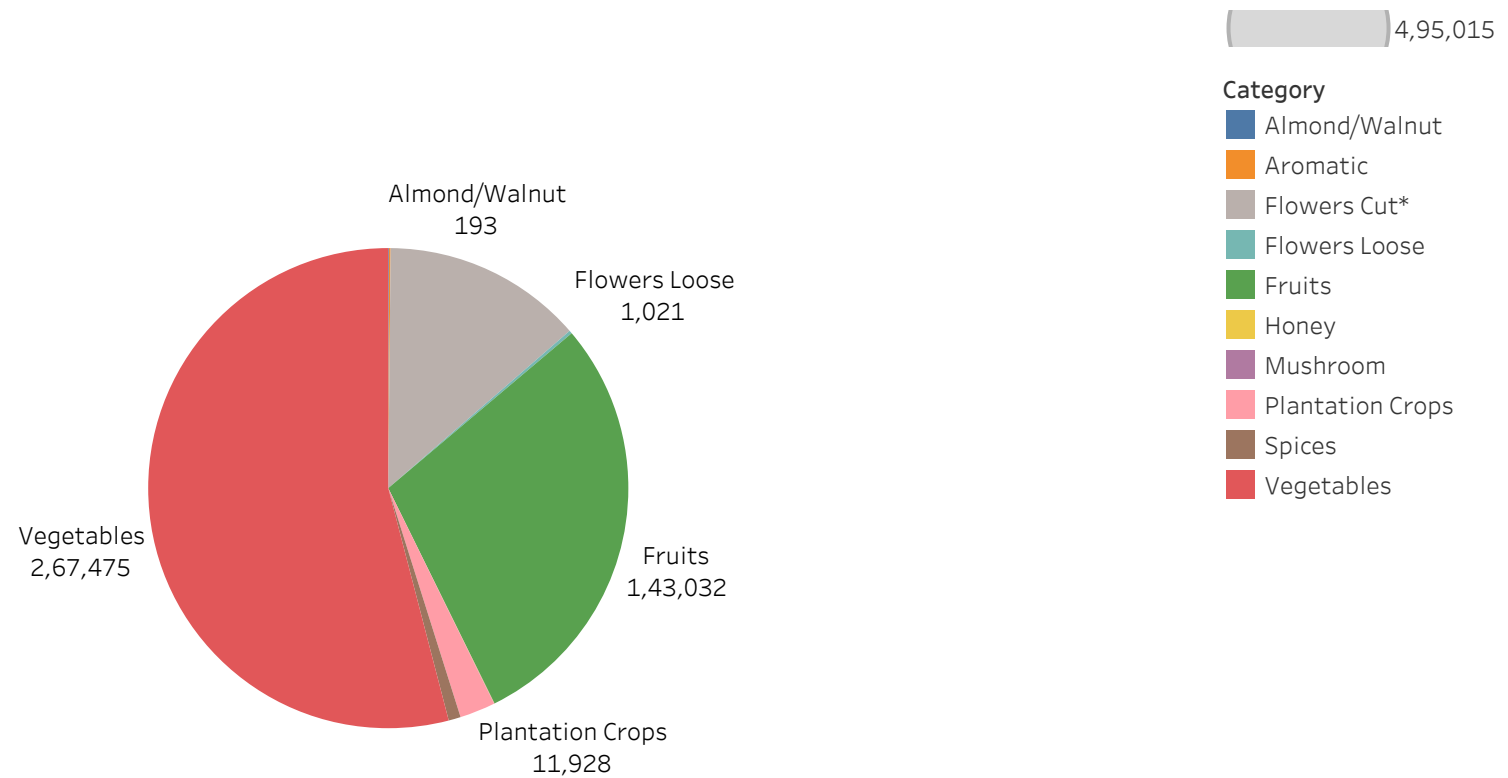

Category and sum of Production-2007-08. Color shows details about Category. Size shows sum of Production-2007-08. The marks are labeled by Category and sum of Production-2007-08. The view is filtered on Category, which excludes Grand Total.

Production of Crops in 2008-2009

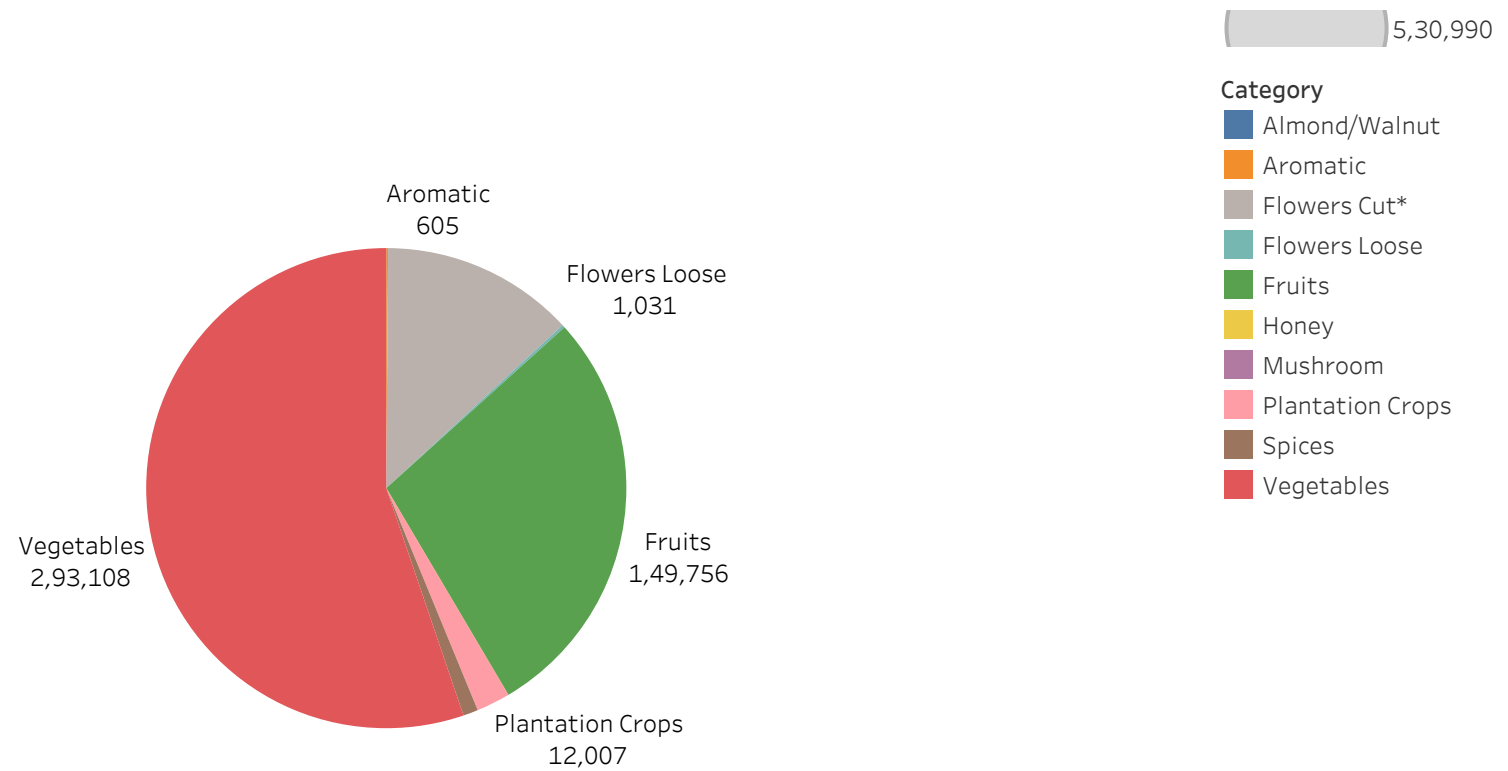

Category and sum of Production-2008-09. Color shows details about Category. Size shows sum of Production-2008-09. The marks are labeled by Category and sum of Production-2008-09. The view is filtered on Category, which excludes Grand Total.

Production of Crops in 2009-2010

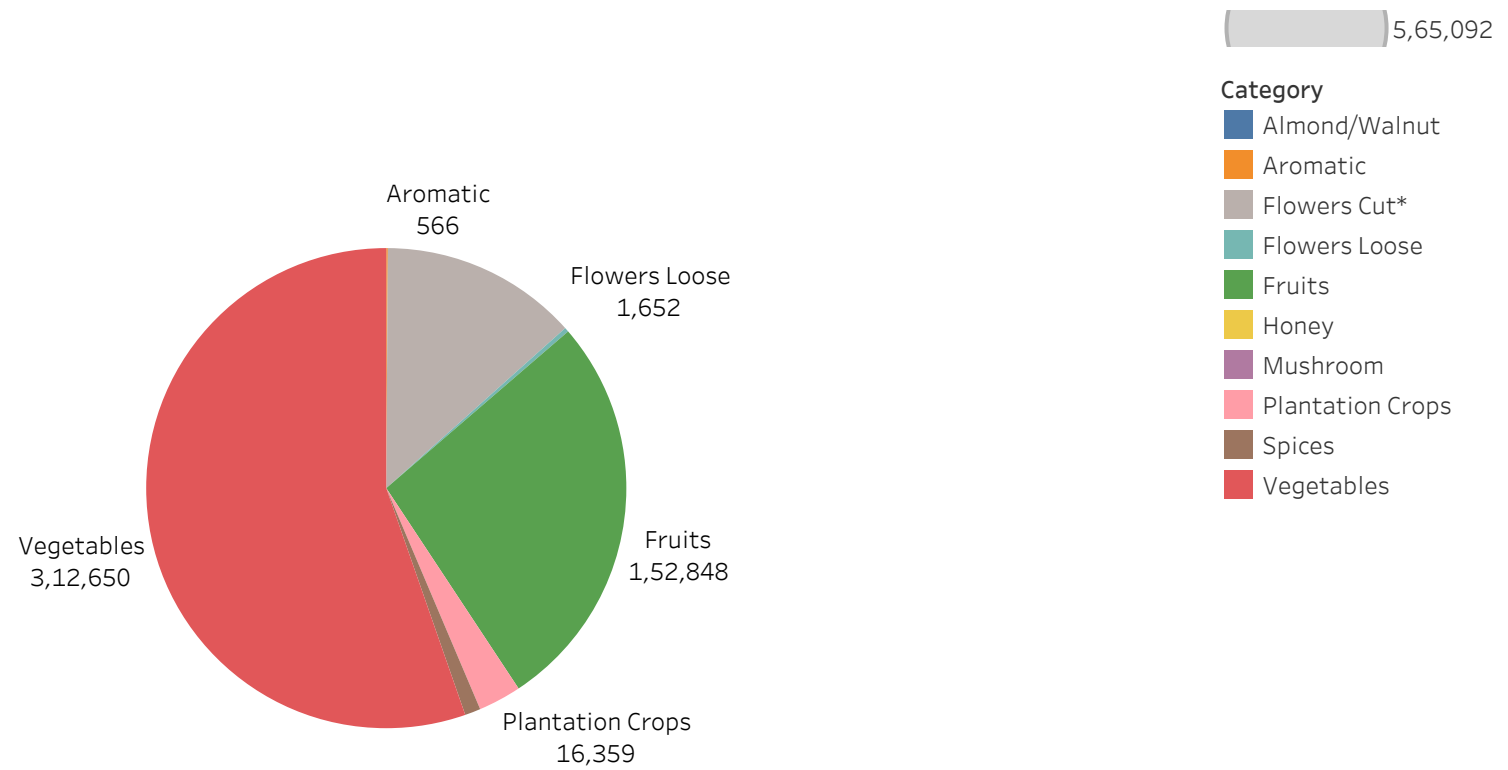

Category and sum of Production-2009-10. Color shows details about Category. Size shows sum of Production-2009-10. The marks are labeled by Category and sum of Production-2009-10. The view is filtered on Category, which excludes Grand Total.

Production of Crops in 2010-2011

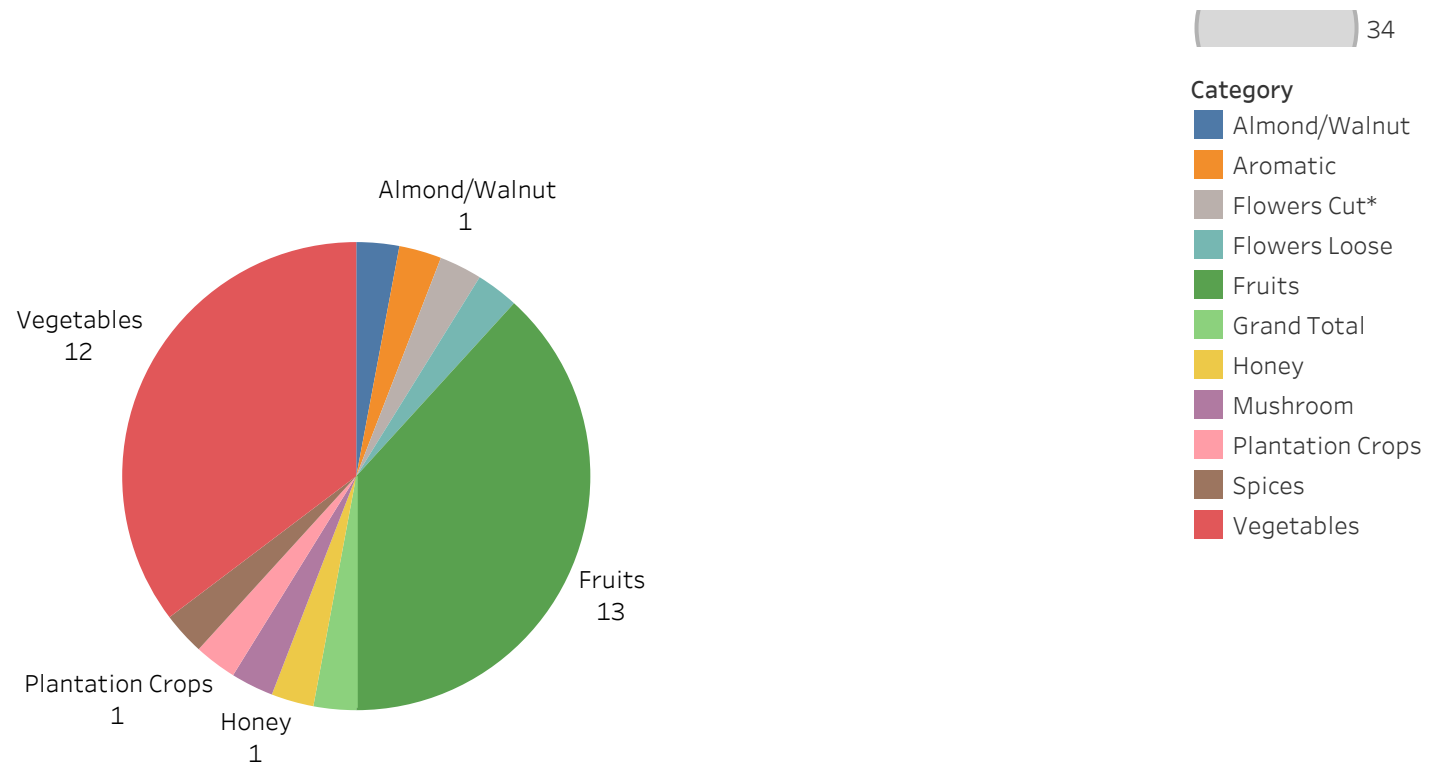

Category and sum of Production-2010-11. Color shows details about Category. Size shows sum of Production-2010-11. The marks are labeled by Category and sum of Production-2010-11. The view is filtered on Category, which excludes Grand Total.

Production of Crops in 2011-2012

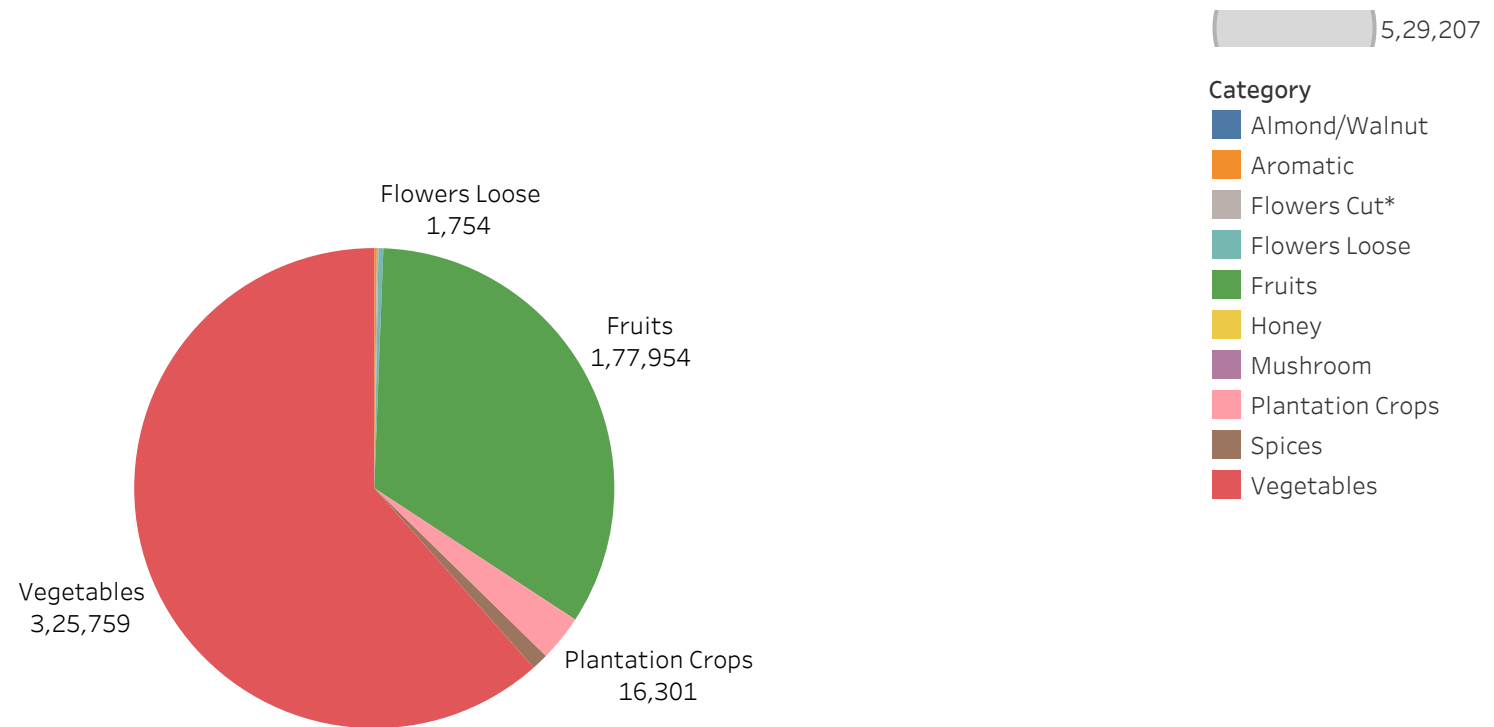

Category and sum of Production-2011-12. Color shows details about Category. Size shows sum of Production-2011-12. The marks are labeled by Category and sum of Production-2011-12. The view is filtered on Category, which excludes Grand Total.

Production of Crops in 2012-2013

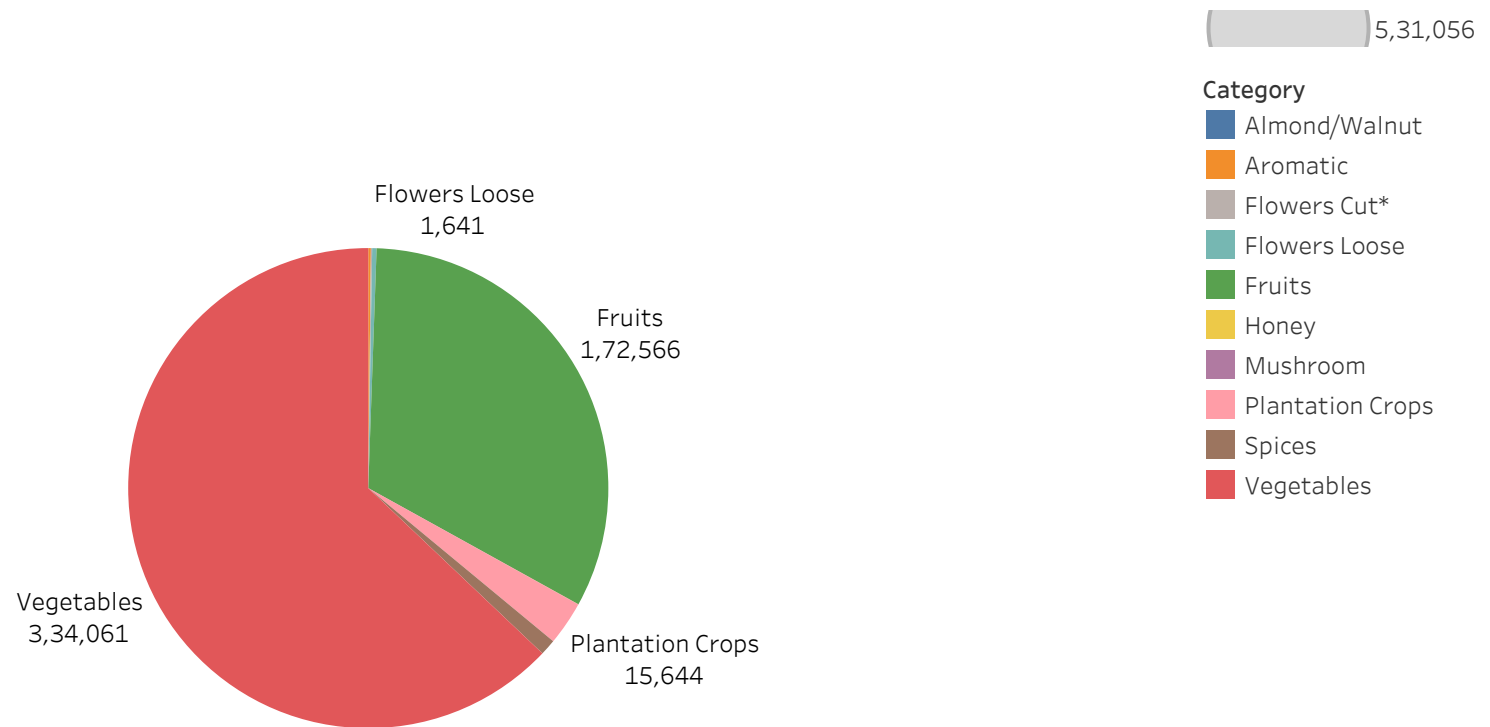

Category and count of Production-2012-13. Color shows details about Category. Size shows count of Production-2012-13. The marks are labeled by Category and count of Production-2012-13.

Production of Crops in 2013-2014

Category and sum of Production-2013-14. Color shows details about Category. Size shows sum of Production-2013-14. The marks are labeled by Category and sum of Production-2013-14. The view is filtered on Category, which excludes Grand Total.

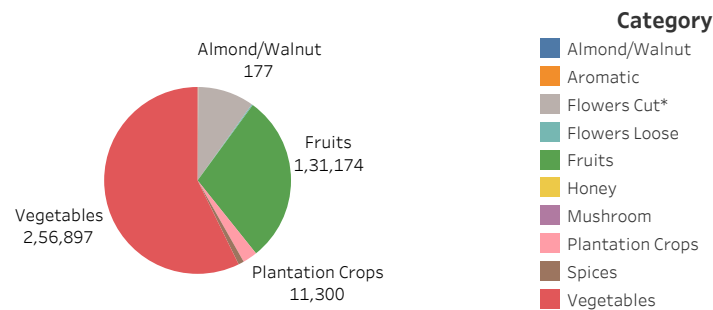

Production of Crops in 2014-2015

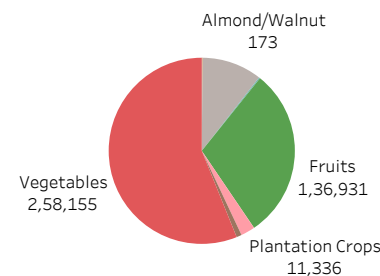

Category and sum of Production-2014-15(3rd Adv. Est). Color shows details about Category. Size shows sum of Production-2014-15(3rd Adv. Est). The marks are labeled by Category and sum of Production-2014-15(3rd Adv. Est). The view is filtered on Category, which excludes Grand Total.
